About Camp Victory

Contact (919) 815-7603 For More Information

Using Christian camping and outdoor recreation as a platform, we exist to assist the local church in fulfilling the Great Commission through evangelization of all ages and the discipling of believers toward greater maturity in Christ. For six weeks each summer, we seek to accomplish this mission through a Christian camping program designed for 3rd through 12th graders. Our desire is to see every child experience the power of camp and hear the truth of the gospel, but often financial hardships stand in the way. The Camp Victory Scholarship Program serves to assist families who could not otherwise afford a weeklong summer camp experience. Join us for our Shooting for Victory fundraising event to support this great cause while enjoying a great day of friendly marksmanship competition, food and fellowship.
