About Camp Victory

Through Christian camping and outdoor recreation, we partner with local churches to fulfill the Great Commission—sharing the gospel and discipling believers. Each summer, our summer camp program serves 3rd–12th graders, offering every child the chance to encounter Christ through camp. For many, financial hardship makes this impossible, which is why the Camp Victory Scholarship Program exists. Join our Shooting for Victory fundraiser to help make camp possible for all, while enjoying a day of friendly marksmanship, good food, and great fellowship.
